February 2020

Parking Variances

Please be reminded that short-term parking variance requests can be made via management. Please be sure that your request is made in writing and e-mailed to mikki.cooper@managmenttrust.com, a minimum of 24 hours prior to your needs. Please also note that the management office hours of operation are from 9am – 4pm Monday through Friday. ■

Common Area Etiquette

Please be reminded that doggie stations are not to be used for household trash. The containers are a bit too small for this to accommodate bulky items. However, they are the perfect size to hold your puppy's little poops.. ■

To water or not to water?

This winter has been a bit light on rain. Which means, your beautifully landscaped yards may also be a bit dry. Be sure to review your irrigation timers and check forecasts for rain. ■

Fun Facts About February *Ducksters.com*

In the Southern Hemisphere February is a summer month the equivalent of August. The month is named for the Latin word februum which means purification. Together with January, it was the last of the months added to the Roman calendar. The largest American sporting event of the year, the Super Bowl, is held in February. ■
