- K. Small Claims Court:** The Board discussed who would represent the Board in a small claims collection action scheduled for 2/14/14 if a settlement offer is not complied with. It was decided that either Rick or Sharon will attend if necessary.

L. Gate Code Change Request: The Board reviewed a request from 3105 Aaron Drive that the gate codes be changed. After a discussion a motion was made and seconded (Rick/Sharon) not to change the gate codes as the gates are privacy gates, not security gates.

M. Newsletter Preparation/Distribution: The Board discussed this matter and it was tabled. Management will get input from another provider.

IX. CORRESPONDENCE

The Board reviewed the correspondence listed on the Agenda. The following action was taken:

A. Request for Access Gates on Sterling Drive: The Board reviewed a request from a Homeowner to have gates installed on Sterling Drive. It was noted that the fire department will not allow gates to be put in that location. Additionally it was noted that it is not feasible because the developer built the home at 2101 Sterling and didn't leave room for a mechanical gate. There may be additional reasons. Therefore no action was taken.

X. HOMEOWNER FORUM: The following items were brought to the attention of the Board under this portion of the Agenda:

➤ **Red Curb:** Owners on Sterling Drive requested that the curb on the corner of Whitney Oaks onto Sterling Drive be painted red. They expressed a concern about safety because Sterling is a narrow street.

➤ **Fire Pit Issue:** A Homeowner reported a nuisance and noise issue and was urged to send a written complaint to the management office.

➤ **Dogs in Open Area:** A Homeowner reported that Animal Control was contacted for a dog that is often let loose in the open area.

➤ **Whitney Ranch:** A Homeowner asked whether the Association had any control over the Whitney Ranch area and reported some bon fires are being built by kids loitering in the area.

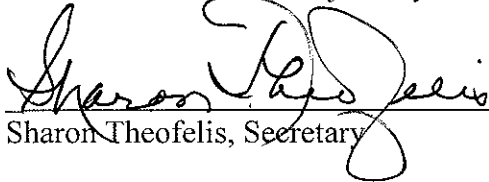

➤ **Kids at School:** A Homeowner requested the cut through area between Hillcrest and Rocklin High School be closed off. Another Homeowner urged the Board to build a concrete block wall, regardless of the cost or Homeowner vows to destroy any such wall or fence, to prevent access to the open space.

➤ **Padlocked Gate Arms:** A Homeowner brought a concern about the locked drive-in gate arms and urged the Board to unlock the pins so that in an emergency, a person with disability would be able to manually open the gate.

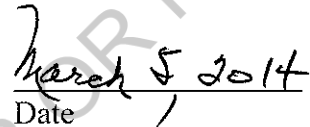

B. **ADJOURNMENT:** There being no further item of business to discuss, upon a motion duly made and seconded, the meeting was adjourned at 7:50 P.M.

The next Board of Director's business meeting will be the on March 5, 2014 at 6:30 p.m. at the Oaks in Springfield: 2801 Springfield Blvd., Rocklin, CA.
