IV. DESIGN GUIDELINES REWRITE

Paul Marcillac has supplementary documents for landscape text additions. Paul’s goal is to have his rough draft additions complete by end of August. Separately, ARC acknowledges that the new document needs to address the potential of homeowners requesting permission to move fences. New document also needs to address “covered porches” and how they integrate, dimensionally & architecturally, with an existing house.

V. NEXT MEETING & ADJOURNMENT

Next Architectural Review Committee meeting – August 25, 2015. Meeting adjourned 7:35 P.M.
