V. MANAGEMENT REPORT (Appeals)

A. 2020 Shady Trail Lane – Dhillon – Golf Course Net (pending BOD decision) 022/0408

ARC wishes to emphasize that denial of this item is supported by CC&R's Article 11 "The Golf Course," which states: *Each Owner who acquires a Lot acknowledges, accepts and assumes the risk of the special benefits and burdens associated with a golf course.* Further, ARC remains concerned that approval of this appeal will set a precedent where all owners along the golf course could erect netting, adversely impacting the visual attributes of scenery throughout Whitney Oaks.

VI. DESIGN GUIDELINES REWRITE ("Architectural Rules")

The completed Architectural Rules (draft dated September 21, 2016) were emailed to Vicky Langer on October 12. If the board approves, the document is ready to mail to homeowners for the 30-day comment period. Vicky is also going to run the document by the Landscape Committee for any input it might have.

VII. NEXT MEETING DATE – November 16th
