Re: Adopted ARC Rule Amendment for Driveway Stain Colors

Dear Whitney Oaks Homeowners:

On February 7, 2018 the Whitney Oaks Board of Directors unanimously voted in favor of adopting the revised architectural rule as it pertains to driveway paint/stain. This amended rule is now in effect and will replace all previous versions. It is recommended that you save a copy of the new guidelines for your reference and available for potential buyers should you ever sell your home.

The updated ARC Guidelines can be located on whitneyoaks.net under *Documents & Forms* ▶ *Governing Documents* ▶ *Design Guidelines Rsvd 1-2017*

Please do not hesitate to contact our office with any questions.

Thank you
