PAINT MANUFACTURER

The paint numbers on this chart are for Kelly Moore paints. Homeowners may use another paint manufacturer. However, paint samples must accompany the ARC application, and must match the Kelly Moore samples.

This list is for the Whitney Oaks neighborhoods other than Springfield and Units 39 and 44 (Abby Ct., Sterling Dr., Kensington Dr., Lawton Ct.).

An ARC application (even for using approved or existing colors) must be completed in its entirety and returned to Management, including a list of colors desired and the exact proposed location of paint applications (ie. base, front foor, trim, gutters, shutters, garage door).

The ARC application can be found on the Whitney Oaks website at www.whitneyoaks.net

The ARC meets monthly on the third Wednesday of the month. Applications should be received by management seven business days prior to the meeting.
