At the top of the hill at 3872 Coldwater Drive, ESR put in a wall to keep the water in the v-ditch. This was all included in the work that was approved as part of the construction defect repairs. ESR has replaced curbs they damaged (and some they say they did not damage) and will be applying sealcoating over the guest parking (staging) area as well as the street where oil stains and scrapes were left at their expense.
- **Vivien Park Concrete Border:** The Board agreed with the Landscape Committee's recommendation that we not approve the proposal from the concrete curbing company to replace the curbs in this area at the corners of Vivien Way and Pheasant Lane.
